BEEFBAR:

- **Special Beef Selection** according daily arrival:

Strange as it may sound, beef is nowadays often eaten too fresh. For optimal taste experience we mature the meat (as before) a few weeks. Some breeds are more suitable for normal maturation, others are for dry-aged.

In the refrigerated beefbar is a careful selection of which may vary according to market demand.

- Holstein €16/100 gram
A milk cow with high marbled meat, rich melting fat
- Oedslach €17/100 gram
Butcher selection, based on structure, color and taste
- Rubia Gallega €19/100 gram
The best Spanish beef, famous for strong taste & dark color

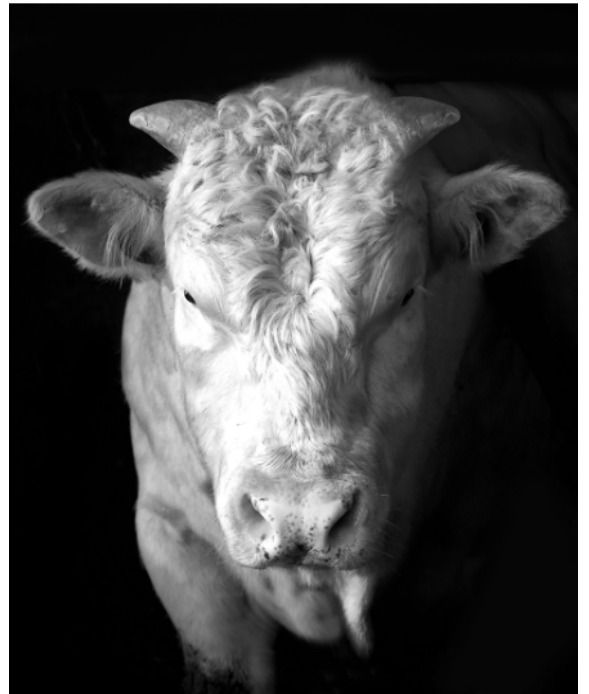

For correct cooking we have to cut min 300gr. per person

Choose your gravy or sauce

We recommend your to eat rare or medium rare

The meat has to rest approx. 15 min before cooking

Enjoy your dish, we serve it with lettuce, fresh French fries and your sauce

1 table = 1 bill

A la carte, each table or group can choose freely between 4 different starters and 4 main courses to guaranty your group a great & quick service.
